Dickinson Fine Arts Academy has had a uniform dress code for at least 10 years. It is time to survey parents, students and teachers to determine if the school should continue with the Uniform Dress Code for the 2021/2022 school year. Last school year - 2020/2021 the enforcement of the Uniform Dress Code was paused. The pandemic made it difficult for parents to purchase uniform clothes for their students. So, students were permitted to wear clothes of their choice. It is time to make a decision about whether to maintain a uniform dress code.

The administration wants and needs the input of parents, teachers and students before making the final decision. Our goal is to make the decision by July 30, 2021. The decision will be announced through email and posted on Facebook and the website.

Please complete the survey. Students and parents have different surveys. Please complete the survey for your category.
